

Holding Sort Completion Checklist

Start at the first occupied page of the interim holding binder. Process cards left-to-right, then top-to-bottom; turn the page and continue. Card names and printed TCG types identify each card. The bold destination is the recommendation. Check Done after placing it there, or write one replacement destination in Override.

Done	Type	Card	Recommendation	Why	Override, if any
☐	DRAGON	Rayquaza — English, Dragon Pulse/Shred	Keeper · Heritage	The older Legendary Treasures printing supplies a clearer permanent role than another Legendary Review candidate.	_____
☐	COLORLESS	Kecleon — Japanese Lv.38/tongue artwork	Keeper · Personal	Kecleon already has established personal significance, and this is a distinct second treatment.	_____
☐	COLORLESS	Ditto — Japanese SV151-style	Keeper · Species Studies	It strengthens the bounded Ditto run without pretending the disguise motif is a new theme.	_____
☐	COLORLESS	Azurill — Japanese	Keeper · Beautiful Misfits	Owner marked this Keeper destination on the original checklist.	_____
☐	COLORLESS	Eevee — SVP 173	Release	This is an extra copy of a card already represented canonically and has no distinct Keeper or Review role.	_____
☐	GRASS	Venusaur ex — modern Japanese full art	Keeper · Beautiful Misfits	The premium modern treatment is visually strong but lacks a specific theme hypothesis.	_____
☐	GRASS	Shaymin EX — Legendary Treasures RC21	Keeper · Beautiful Misfits	Owner marked this Keeper destination on the original checklist.	_____
☐	FIGHTING	Aerodactyl — Japanese vintage	Keeper · Heritage	The vintage Japanese presentation gives it a stable historical reason to remain.	_____
☐	WATER	Piplup — Manaphy & Lucario	Release	The plain treatment has no canonical path or durable Keeper rationale in the current collection.	_____

Current binder page 10 of 13

Done	Type	Card	Recommendation	Why	Override, if any
☐	FIRE	Typhlosion — Japanese	Keeper · Heritage	The older Japanese printing supplies a durable Heritage role despite extensive thematic Typhlosion coverage.	_____
☐	PSYCHIC	Misdreavus — Japanese	Release	The photographs show the same artwork, layout, and No.200 presentation as the canonical copy; confirm the set symbol and finish match in hand before authorizing Release.	_____
☐	TRAINER	Pokémon Communication — English	Review · Existing EDGE · World of People	The communication terminal and screen make human technology central enough to test against the Ralts incumbent.	_____
☐	TRAINER	N — Japanese non-full-art	Keeper · Heritage	Language and release variation give the trainer pair a stable provenance-based role.	_____
☐	TRAINER	N — English full art	Keeper · Beautiful Misfits	The premium full-art treatment is attractive but has no canonical narrative role.	_____
☐	DARKNESS	Yveltal ex — Japanese red full art	Keeper · Beautiful Misfits	The premium treatment is worth retaining while existing Yveltal coverage blocks a thematic role.	_____
☐	DARKNESS	Yveltal — Celebrations	Release	The treatment is weak relative to existing Yveltal coverage and adds no separate Keeper rationale.	_____
☐	LIGHTNING	Emolga EX — Japanese	Release	This appears to duplicate the 062/060 copy already represented in the Emolga master set, so it does not expand that run.	_____

Done	Type	Card	Recommendation	Why	Override, if any
☐	DARKNESS	Houndour — Japanese No.228	Keeper · Species Studies	The vintage Japanese treatment broadens the owner-significant Houndour chronology.	_____
☐	FIRE	Team Magma's Houndour — reverse holo	Keeper · Species Studies	The stamped reverse treatment is a materially distinct Houndour study entry.	_____
☐	FIRE	Houndoom G	Keeper · Species Studies	The SP-era form is a distinct representative within the Houndour/Houndoom run.	_____
☐	DARKNESS	Houndour — Japanese Megalo Cannon-era candidate	Keeper · Species Studies	The candidate printing is visually distinct enough for the bounded species run even before exact metadata is resolved.	_____
☐	FIRE	Houndoom EX — full art	Keeper · Personal	The full-art Houndoom directly supports the owner's established personal attachment to the line.	_____
☐	FIRE	Houndour — Skyridge	Keeper · Species Studies	The e-Card-era artwork and treatment add meaningful chronological range to the run.	_____
☐	FIRE	Houndour — Great Encounters	Keeper · Species Studies	This printing adds a distinct era and composition to the personal species study.	_____
☐	FIRE	Dark Houndoom — Team Rocket Returns	Keeper · Species Studies	The Dark treatment is a major visual variant in an owner-significant evolution line.	_____
☐	PSYCHIC	Gengar — Diamond & Pearl	Keeper · Species Studies	The older standard treatment broadens the chronology of the established Gengar study.	_____

Current binder page 12 of 13

Done	Type	Card	Recommendation	Why	Override, if any
☐	DARKNESS	Gengar ex — modern 280 HP treatment	Keeper · Species Studies	The modern Darkness-type ex is a materially different Gengar treatment.	_____
☐	PSYCHIC	Gengar — Legend Maker	Keeper · Species Studies	The close, red-eyed older artwork is a distinctive anchor for the Gengar chronology.	_____
☐	PSYCHIC	Gengar EX — Night Attack/Dark Corridor	Keeper · Species Studies	The separate EX treatment adds clear visual and mechanical variety to the Gengar run.	_____
☐	LIGHTNING	Pikachu — multiple-Pikachu group artwork	Keeper · Species Studies	The species-group novelty supports a bounded Pikachu study more than an emotional theme.	_____
☐	LIGHTNING	Pikachu — Pika Ball/Thundershock artwork	Keeper · Species Studies	The abstract lightning field provides no visible human-made setting or named thematic challenge.	_____
☐	LIGHTNING	Pikachu — tree artwork	Review · FUTURE SELF	This was singled out for personal reassessment without a current canonical challenge.	_____
☐	LIGHTNING	Pikachu — 70 HP lightning/Volt Tackle artwork	Review Attack · REDUNDANT · On the	The expressed lightning action reads as attack energy but does not beat the current page.	_____
☐	LIGHTNING	Pikachu — 60 HP field/Quick Attack artwork	Review Nature · REDUNDANT · Calm in	The field setting carries natural ease more strongly than the printed attack name.	_____
☐	LIGHTNING	Pikachu — desk/room Gnaw artwork	Review People · REDUNDANT · World of	The inhabited interior and human objects are central to the scene.	_____

Current binder page 13 of 13

Done	Type	Card	Recommendation	Why	Override, if any
☐	LIGHTNING	Pikachu — 30th Celebration 046/128, Get Some Air/Smash Kick	Review · REDUNDANT · Calm in Nature	The quiet rocky setting reads as natural ease despite the celebratory treatment.	_____
☐	LIGHTNING	Pikachu — 80 HP full-art floral/Overwriting Bolt	Keeper · Heritage	The solitary celebratory treatment does not show a human-made environment, while the 30th Celebration printing supplies a clear historical role.	_____
☐	LIGHTNING	Pikachu — 70 HP meadow/Play Rough	Review · REDUNDANT · Joyful Action	The airborne, exuberant pose reads as play and motion, which Calm in Nature explicitly excludes.	_____
☐	LIGHTNING	Pikachu — rain/umbrella Pika Dash artwork	Keeper · Beautiful Misfits	The unusual rainy composition is attractive, but an umbrella alone does not establish the human-made setting required by World of People.	_____
☐	LIGHTNING	Pikachu — grass Tail Slap/Quick Attack artwork	Keeper · Species Studies	The tense forward pose is not calm, and the artwork does not show enough explicit attack action for a thematic Review role.	_____
☐	LIGHTNING	Pikachu — Lt. Surge's Pikachu, Japanese	Keeper · Heritage	The vintage character-card context gives it a clear historical role.	_____
☐	LIGHTNING	Pikachu — Pokémon GO 028/078, Wild Charge	Keeper · Heritage	The outdoor cap artwork does not visibly establish human activity, while the Pokémon GO-stamped release context gives it a clear Keeper role.	_____
☐	LIGHTNING	Pikachu — Black Star Promo, Growl/Thundershock	Keeper · Heritage	The foundational Black Star promo status is a direct Heritage rationale.	_____
